## RoHan DAAD SDG Summerschool 2019 "Catalysis towards Green Chemistry and Environment"

VNU University of Science, Hanoi, Vietnam  
September 9<sup>th</sup> -21<sup>st</sup>, 2019

**Call for applications- Deadline 15<sup>th</sup> June 2019**

### **WHAT IS ROHAN?**

The project RoHan is part of a new DAAD scheme, generously funded by the Federal Ministry for economic co-operation and development (BMZ), on the implementation of "SDG Graduate Schools". The University of Rostock and the Leibniz Institute for Catalysis as well as the Hanoi University of Science and Technology (HUST) and the Hanoi University of Science (VNU-HUS) are co-operating to implement the ROHAN Graduate School from 2016 till 2020. The aim of the project and this workshop is to foster the development and establishment of catalysis technologies and processes through the training of qualified Vietnamese scientists able to assume leadership positions in both industry and academia. Focusing on rightful high-quality education and promoting life-long learning opportunities for all, as well as promoting gender equality and empowering women could have a strong impact on the achievement of the Sustainable Development Goals in 2030.

### **PROGRAM**

9<sup>th</sup> -12<sup>rd</sup> Sept. Lectures at VNU-HUS: chemistry campus

13<sup>th</sup> Sept. Lectures at PVI (in combination with the 10<sup>th</sup> National conference of catalysis and adsorption)

14<sup>th</sup>– 17<sup>rd</sup> Sept. Field trip (Ho-Chi-Minh City, Vung Tau)

14<sup>th</sup> Sept. Visit Vietnam Petroleum Institute, HCMC

16<sup>th</sup> Sept. Visit Phu my Fertilizer and chemicals Co.Ltd

18<sup>th</sup>– 19<sup>th</sup> Sept. Meeting of the SDG Graduate Schools

20<sup>th</sup>– 21<sup>st</sup> Sept. Social program (excursion to Sapa)

### **Fields trip and Social Programs (optional)**

1. Hochiminh city (14<sup>th</sup> – 15<sup>th</sup> Sept.)

Vung Tau (16<sup>th</sup> – 17<sup>th</sup> Sept.)

**Cost: 80 €/person (hotel and flight not included)**

2. Sapa (20<sup>th</sup> – 21<sup>th</sup> Sept.)

**Cost: 70€/person (hotel included)**

# RoHan catalysis

**SDG GRADUATE SCHOOL**

## REGISTRATION

Registration is open to all scientists interested in catalysis and chemistry and companies related to chemistry and chemical analysis. All persons intending to attend the Conference must complete a Registration Form available for download at [www.rohan-sdg.com](http://www.rohan-sdg.com).

Send your registration form to ***application@rohan-sdg.com*** before 15th of May, 2019.

REGISTRATION FEES for the workshop are not required.

For field trips: Participants shall pay their own flight tickets and hotels to reach and to stay at the field trip's location.

Notification of acceptance for oral/poster presentations will be announced before the 30<sup>th</sup> of June 2019.

## PUBLICATION

All oral and poster presentations may be published as *proceedings*, in a special volume of the Vietnam Journal of Catalysis and Adsorption. The participants, who like to publish their work in this journal, may submit full-text manuscript of their work according to the journal's guidelines which will be launched after the notification of acceptance for oral/poster presentations.

## SCHOLARSHIP TO ATTEND

### Who can apply for a scholarship to attend?

All Master and PhD students, postdocs and scientists from the School of Chemical Engineering of Hanoi University of Science and Technology (HUST), the Faculty of Chemistry and the Faculty of Environmental Sciences of the VNU University of Science (VNU-HUS), University of Rostock and LIKAT, can apply for scholarships to attend the workshop. A selected number of participants will be supported and informed before the 30<sup>th</sup> of June.

### What does the scholarship cover?

For participants from the University of Rostock and LIKAT, the scholarship covers the travel expenses, accommodation (from the 9<sup>th</sup> to the 21<sup>th</sup> of September 2019) and meals during the workshop and the field trips. Further expenses are expected to be covered by the scholarship holder.

For participants from the School of Chemical Engineering of Hanoi University of Science and Technology (HUST), the Faculty of Chemistry and the Faculty of Environmental Sciences of the VNU University of Science (VNU-HUS), the scholarship

# RoHan atalysis

**SDG GRADUATE SCHOOL**

covers lunches during the workshop. Field trips on 14<sup>th</sup> -17<sup>th</sup> September and 20<sup>th</sup> - 21<sup>th</sup> September (if one like to attend) are not included. Further expenses are expected to be cover by the scholarship holder.

## How to apply for a scholarship?

Apply only at [www.rohan-sdg.com](http://www.rohan-sdg.com) or send your application to [application@rohan-sdg.com](mailto:application@rohan-sdg.com) before 15<sup>th</sup> May 2019.

The application should include: Letter of Motivation (1 page), abstract (1 page), registration form (see [www.rohan-sdg.com](http://www.rohan-sdg.com)). The topic of the abstract must be on the field of catalysis and related to SDG.

## SPONSORSHIP & EXHIBITION

If you are interested in exhibiting and sponsoring at RoHan DAAD SDG Workshop 2019, we can offer you a space for you own booth or a fully equipped solution. Contact person: Prof. Le Thanh Son ([lethanhsong@yahoo.com](mailto:lethanhsong@yahoo.com) or [sonlt@vnu.edu.vn](mailto:sonlt@vnu.edu.vn)).

*Looking forward to welcome you in Vietnam!*

Dr. Dirk Hollmann (Rostock, Germany, UR, [dirk.hollmann@uni-rostock.de](mailto:dirk.hollmann@uni-rostock.de))

Dr. Esteban Mejia (Rostock, Germany, LIKAT, [esteban.mejia@catalysis.de](mailto:esteban.mejia@catalysis.de))

Prof. Le Minh Thang (Hanoi, Vietnam, HUST, [thang.leminh@hust.edu.vn](mailto:thang.leminh@hust.edu.vn))

Prof. Le Thanh Son (Hanoi, Vietnam, VNU-HUS, [sonlt@vnu.edu.vn](mailto:sonlt@vnu.edu.vn))

Prof. Vu Van Manh (Hanoi, Vietnam, VNU-HUS, [vuvanmanh@hus.edu.vn](mailto:vuvanmanh@hus.edu.vn))
