

## RoHan DAAD SDG Summerschool 2024 "Industrial Catalysis for Sustainable Development"

University of Rostock, Rostock, Germany  
September 15<sup>th</sup> -22<sup>nd</sup>, 2024

**Call for Orals and Poster- Deadline 29<sup>th</sup> February 2024**

### **WHAT IS ROHAN?**

The project RoHan is part of the DAAD lighthouse scheme, generously funded by the Federal Ministry for economic co-operation and development (BMZ), on the implementation of "SDG Graduate Schools". The University of Rostock and the Leibniz Institute for Catalysis as well as the Hanoi University of Science and Technology (HUST) and the Hanoi University of Science (VNU-HUS) are co-operating to implement the ROHAN Graduate School from 2016 till 2025. The aim of the project and this workshop is to foster the development and establishment of catalysis technologies and processes through the training of qualified Vietnamese scientists able to assume leadership positions in both industry and academia. Focusing on rightful high-quality education and promoting life-long learning opportunities for all, as well as promoting gender equality and empowering women could have a strong impact on the achievement of the Sustainable Development Goals in 2030.

### **PROGRAM**

- 15. September Arrival in Hanoi
- 16.-19. September Lectures Part 1-4
- 20.-22. September Excursion to Hai Phong and Cát Bà

### **RESEARCH TOPICS**

- Catalyst for water treatment, gas purification and gaseous waste treatment
- Catalyst for organic transformations
- Catalysis for chemical and energy conversion
- Catalysis for sustainable, green, and circular processes
- Sustainable materials and polymers

## REGISTRATION

Registration is open to all scientists interested in catalysis and chemistry related to the SDGs. All persons intending to attend the Conference must complete a "Registration Form" and an "Abstract" available for download at [www.rohan-sdg.com](http://www.rohan-sdg.com).

**All attendees are invited to contribute with an ORAL or a POSTER presentation.**

Send your registration form to [application@rohan-sdg.com](mailto:application@rohan-sdg.com) before **29<sup>th</sup> of February, 2024.**

REGISTRATION FEES for the workshop are not required.

Notification of acceptance for oral/poster presentations will be announced before the **30th of March 2024.**

## TRAVEL SCHOLARSHIP TO ATTEND

### Who can apply for a scholarship to attend?

All Master and PhD students, postdocs and scientists from the University of Rostock (UR) and the Leibniz-Institute for Catalysis (LIKAT) can apply for scholarships to attend the workshop in Hanoi. A selected number of participants will be supported and informed.

The travel scholarship covers the travel expenses, accommodation (from the 14<sup>th</sup> to the 23<sup>th</sup> of September 2024) and meals during the workshop and the field trips. Further expenses are expected to be covered by the scholarship holder.

*We are looking forward to welcome you in Hanoi!*

Prof. Le Thanh Son (Hanoi, Vietnam, VNU-HUS, [sonlt@vnu.edu.vn](mailto:sonlt@vnu.edu.vn))  
Prof. Le Minh Thang (Hanoi, Vietnam, HUST, [thang.leminh@hust.edu.vn](mailto:thang.leminh@hust.edu.vn))  
Dr. Dirk Hollmann (Rostock, Germany, UR, [dirk.hollmann@uni-rostock.de](mailto:dirk.hollmann@uni-rostock.de))  
Dr. Esteban Mejia (Rostock, Germany, LIKAT, [esteban.mejia@catalysis.de](mailto:esteban.mejia@catalysis.de))
